2 Before putting ^{up} drafts as ordered above the following facts are Subs ^{hereto} and orders are solicited as to the action to be taken in these cases

(1) Neither the sketch nor the description of the boundary of the Pernapatna town is intelligible. A better sketch together with the description of the boundary in an intelligible manner has to be called for.

(ii) 'Municipal boundary stone' mentioned in describing the boundary of Saragam is a misnomer. Saragam is at present a Union.

(iii) S-Nos 2, 3 & 4 also appear to form the eastern boundary of Krishnarappet.

(iv) The description of the boundaries of Salpattu, Gundalpet and Arakere (Union) are correct.

(v) The words of the proclamation has to be revised or amended in every case.

(vi) The 2nd Member's order as regards the publication of these proclamations is given below

"Preliminary notification may issue."

(vi) orders are solicited as to whether
the proclamation should be pub-
lished ~~in the~~ by Govt in Pt-I of
the Gazette. or in Pt-II under the
signature of the Dy Commr. The
latter is the prevailing practice here
In Bombay the proclamation
is issued by the Govt

(vii) Should reference be made
to the GO or Local Self Govt in
the proclamation?

(viii) Is it necessary to state
in the proclamation that the
local area will be constituted a
Town or Minor Municipality. The
Regn has not yet been amended in
this office. It is a point for considera-
tion if there is no technical objection
in making the classification pending
the amendment of the Regulation.
